Accomplishing more with less is a common mantra these days. In Appli-Curves, you will learn to create curvaceous quilt projects without having to deal with the sometimes challenging and time-consuming process of piecing. This new method uses

fusible web for attaching curves, and incorporates three traditional curved pieced blocks - Drunkard's Path, New York Beautify and Hearts and Gizzards. Projects include small and large wall hangings, large and small quilts and table runners. With this book, you will learn to achieve curved success without needed to a whole new skill set. CD-ROM templates included!
