Thoroughly updated for its Third Edition, this guide will help health care professionals in all clinical settings communicate easily with Spanish-speaking patients. It presents Spanish words, phrases, questions, and instructions that cover signs and symptoms, history-taking, assessment of all body systems, mental health, diagnostic tests,

disorders, medications, procedures, surgery, nutrition and diet therapy, medical equipment, and alternative and complementary therapies. Features include a picture dictionary, clear body-system illustrations with labels in both languages, rules of Spanish pronunciation and grammar, and indexes in English and Spanish. A companion Website offers audio files with correct pronunciations for hundreds of medical terms in English and Spanish, downloadable to a computer or MP3 player.
