Some of the finest, tastiest recipes can be found in the bite-size dishes of the world-the tapas of Spain, the dim sum of China, the botanas of Mexico, the stuzzichini of Italy, and the mezze of the Middle East. Renowned chef Paul Gayler has taken inspiration from these traditions and created over 130 recipes for little plates that are simply

bursting with texture, color, and flavor. This is the ultimate collection of bite-size wonders that will have you cooking in an exciting and new way.
