Are you the victim of a chronic anger, verbal or emotional abuse? Do you constantly second-guess your thoughts and behavior to avoid being hurt or put down by your husband or boyfriend? If you are among the one out of three women trapped in a hurtful relationship, you can end the abuse and rebuild a loving, compassionate environment for you and your family. In Love Without Hurt, psychotherapist Dr. Steven Stosny explains the many forms of verbally and emotionally abusive relationships so you can identify abuse and why it's so important to take action to change your relationship--especially because, if you have children, they have become innocent victims of the same abuse. Drawing from the revolutionary techniques of his CompassionPower "boot camp," this practical program shows you self-healing techniques to help you recover from the pain and abuse, as well as methods for your partner to rewire his anger, resentment, and abusive behavior. Love Without Hurt is an essential guide for ending the cycle of resentment, pain, and abuse and developing a loving relationship.
