The hottest teen entrepreneurs reveal what it takes to turn an idea into major money. The founders of Millionaire Blueprints magazine, the award-winning Texas-based entrepreneurial magazine, know that teens are savvier than ever and that they possess the ingenuity and technology to take their ideas from conception to million-dollar products. Through their spin-off magazine, Millionaire Blueprints Teen, Tom Spinks, Kimberly Spinks-Burleson, and Lindsay Spinks-Shepherd have been offering teens the know-how and insider techniques to take them beyond the lemonade stand and headfirst into real-life business. Now, in their latest book, Prepare to Be a Teen Millionaire, the authors have selected the best advice and teen examples from previous issues of Millionaire Blueprints Teen to create this one-stop compendium. Prepare to Be a Teen Millionaire features the true-life stories and struggles of - and lessons learned by - teens across the country who have successfully created businesses. It offers an array of business ideas, information, and step-by-step detailed instructions on finding funding, marketing, and manufacturing. The result is a tried-and-true 'blueprint' that assists creative and ambitious teens in fulfilling their dreams and becoming the entrepreneurs of the future.
