Featured in dozens of enthusiast magazines, plus TV shows "Biker Build Off", "Monster Garage", "Popular Hot Rodding", "Corbins Ride on", Cole Foster is widely regarded as the best car and motorcycle customizer in the world, bar none. This book offers an inside look at the genius behind the vehicles that have made Cole Foster and his Salinas Boys shop famous throughout the world of customizing. Full of photographs chronicling Foster's life, from skateboarder to master craftsman this book traces his

aesthetic back to the early influence of his father, drag racer Pat Foster. It features the most talked about and photographed vehicles the Salinas Boys have turned out since opening shop, with the stories behind each, and testimonials from admirer such as Willie Davidson and Jimmie Vaughn. This is an essential book for anyone interested in customizing cars and bikes.
