How many people have had this kind of exchange with their mothers at least once in their lives? Face it, most of us would have to admit-somewhat begrudgingly-that our mothers know best 99.9% of the time. *Mom is Always Right* gathers together the wisest and most memorable words ever said about the women who have held our hands through the obstacle course of life. At turns heartwarming and inspiring, humorous and profound, this little gem of a book makes the perfect gift for any mother or

grandmother.
