Learn to draw 26 exciting subjects-from A to Z-with Disney's Little Einsteins This 32-page, step-by-step book teaches young artists how to draw a wide array of delightful subjects. Narrated by Disney's Little Einsteins, Learn to Draw from A to Z contains easy-to-follow drawing instructions for 26 different subjects-from an aardvark to a zebra-and is packaged with a 52-page paper pad that is pre-printed with half-finished drawings for readers to complete. This unique art book also comes with a CD of images, so parents can print out a never-ending supply of unfinished drawings. Plus, the Little Einsteins provide brief definitions of the subjects, helping preschoolers learn new words as they draw them This inventive method of teaching children to draw

while they learn new words is easy and fun. Plus, it allows each child to work at his or her own pace and enjoy hours of creative entertainment and quiet stimulation.
