著者:Hersh, Burton

出版者:Basic Books

出版时间:2008-6

装帧:Paperback

isbn:9780465006076

In this riveting account of the explosive relationship between Robert F. Kennedy and J. Edgar Hoover, renowned journalist and author Burton Hersh sets their highly publicized clashes in the context of Joe Kennedy's ongoing manipulation of Congress and his children's careers, and his lifelong connections to organized crime. Theirs was a unique triumvirate, marked by conflict and betrayal, and culminating in a near-Shakespearean tragedy. Based on compelling new research, and told in gripping anecdotal style, Hersh chronicles the complex relationship between the two antagonists, from their early brushes during the McCarthy years to their controversial deaths.

作者介绍:

Burton Hersh has chronicled the Kennedy family for over thirty-five years. He is the author of numerous books, including the controversial and acclaimed The Old Boys: The American Elite and the Origins of the CIA and The Education of Edward Kennedy. He divides his time between New Hampshire and Florida.

目录: "Burton Hersh has brought to life the dark and secret world of American intelligence in its formative years. It is breathtaking comprehensive piece of research and a miracle of lucid writing.... the ultimate study of the men who laid the foundation for the American intelligence community." -- Daniel Schorr
