From a Parents' Choice and NAPPA Award-winning author, a play-based American Sign Language program with music CD to de-stress baby's mealtime and bedtime. Finally, a way to ease the most challenging times of day with baby. Since signed gestures enable babies to "tell" caregivers what they want and need before they can talk, mealtime and

bedtime are occasions when signing can really come in handy. Based on Dr. Miller's popular workshops, Mealttime and Bedtime Sing & Sign is a user-friendly guide featuring over 200 signs with photos, instructions, and activities. An all-new, 12-song CD with upbeat music followed by calm lullabies teaches and reinforces key signs.
