"The Handbook of Election Coverage Around the World" focuses on the news coverage of national elections in democracies around the globe. It brings together and compares election news coverage within a single framework, offering a systematic consideration of various factors. Considering the prominence and power of the press in the election process, this volume will offer unique breadth in its global consideration of the topic. The volume will appeal to scholars in political communication, political science, mass media and society, and others studying elections and media coverage around the world.
