When a strange creature appears after the big rains, Australian animals wonder what he could be. His fur, feet, tail, and duck-like bill remind each animal of something different. But with a "down-under" spirit, they all pitch in to help him discover where he belongs. Kersplatypus is the story of one creature's journey to find his place in the world and how he sometimes falls flat on the way there. Encourages children to pick themselves up, keep going, and to be good friends. All Sylvan Dell titles feature free

educational resources at [www.SylvanDellPublishing.com](http://www.SylvanDellPublishing.com), including the "For Creative Minds" sections and additional teaching activities. The "For Creative Minds" educational section of Kersplatypus includes: Platypus Fun Facts An Outback Animal Adaptation Matching Activity for: Platypus, Brushtail Possum, Kookaburra, Wallaby, Blue-tongued Skink, Bandicoot Animal Classification, Activity Bully or Friend?
