

International Economics

[International Economics_ 下载链接1](#)

著者:University Robert C Feenstra

出版者:Worth Publishers

出版时间:2007-12-1

装帧:Hardcover

isbn:9780716792833

Combining classic international economics with straight-from-the-headlines immediacy, Feenstra and Taylor's text seamlessly integrates the subject's established core content with new topic areas and new ideas that have emerged from recent empirical studies. Like no other textbook it brings cutting-edge theory, evidence, and policy analysis to the field of international economics.
