Browse the trendy shops of Houston's Galleria and Rice Village, drive through hills filled with bluebonnets and fiery Indian paintbrush, sample the vibrant nightlife of Dallas' s Deep Ellum, and spot migrating birds along the Gulf Coast---the Lone Star State really is a whole other country. Fodor' s Texas spotlights the best this big and beautiful state has to offer, from its top museums, art galleries, and hottest boutique hotels to its tastiest barbecue pits and taquerias.
