These unique, interactive early reading books invite children to flip the pages and discover different words and pictures, with the shared word ending showing through a die cut at the bottom of the page. The use of word families helps children to recognize similarities between words that rhyme, and the bright, humorous illustrations in a Japanese anime style will keep the attention of both kids and parents.

Featured word family: Quack Shack -ack (quack, sack, shack, jack), -ick (lick, chick, sick, kick), -ock (block, lock, rock, sock)
