When Calder Pillay travels with his father to a remote village in England, he finds a mix of mazes and mystery- including an unexpected Alexander Calder sculpture in the town square. Calder is strangely drawn to the sculpture, while others in the village have less-than-friendly feelings toward it. Both the boy and the sculpture seem out of place...and then they disappear!!!!

Calder's friends Petra and Tommy must fly to England to help Calder's father find him. But this mystery has more twists and turns than a calder mobile caught in a fierce wind-with more at stake that meets the eye.
