The little fish Tiddler comes late to school every day, but always with an elaborate excuse that entrances his classmates -- and annoys his teacher! One day, as he's thinking up his next story, a net sweeps him up and hauls him far away. How will Tiddler find his way home? All he has to do is follow the trail of his biggest, fishiest story yet! For every parent or teacher who knows the boundless creativity of a perpetually late child, this book shows how to channel that energy into stories to be shared with friends and family. With a bouncy, bubbling rhyme ..... and vibrant undersea illustrations, THE FISH WHO CRIED WOLF is sure to become the next read-aloud favorite from the bestselling author-illustrator team behind THE GRUFFALO and ROOM ON THE BROOM.
