When it comes to dog biscuits, there's a lot out there, but not one as concerned with your pet's health and happiness as ours. While most of the competition goes for novelty, the "Organic Dog Biscuit Cookbook" stands alone in featuring tail-waggingly tasty 100% organic ingredients. Written by an expert who runs the Bubba Rose Biscuit Company, it contains more than 100 all-natural recipes--double what most other dog cookbooks have. That's sure to appeal to owners eager to feed their dog homemade after the recent commercial pet food scare. The wholesome doggie dishes (all tried, true and taste tested) include a "Luck of the Irish Wolfhound" dog treat with such ingredients as oat flour and spinach leaves, and a beef-based "Grillin' and Chillin'" hot dog.
