There's so much to choose from in this comprehensive collection that crocheters will be inspired for months on end. Updated with all-new diagrams and full-color photography, it offers 300 variations on crocheted shapes that range from classic patterns to complete originals found nowhere else. Circles, squares, triangles,

hexagons, shaped rosettes, florals, and more: the varied and appealing patterns offer something for every potential project. Each design features a photo of the stitch, reader-friendly written instructions, and an at-a-glance diagram of every stitch involved. A pictorial index displays the complete pattern and illustrated directions show how to sew the blocks together. Anyone who loves crochet must have this on her bookshelf
