Travel writer and Rome resident Alexei Cohen offers an insider's view of Italy, from

exploring the often-empty Palazzo Pitti in Florence to biking around the ancient walls of Lucca. Alexei provides great travel strategies for enjoying all that this world-class destination has to offer, such as the Best of Italy in 10 days and, for those who enjoy spas and relaxation, La Bella Vita. Packed with information on dining, transportation, and accommodations, Moon Italy has lots of options for a range of travel budgets. Every Moon guidebook includes recommendations for must-see sights and many regional, area, and city-centered maps. With guidance on everything from climbing Western Europe’s highest peak on the Monte Bianco cable car to donning a costume for the Carnival of Viareggio, Moon Italy gives travelers the tools they need to create a more personal and memorable experience. With expert writers, first-rate strategic advice, and an essential dose of humor, Moon Handbooks are the cure for the common trip.
