At home, in school and out in public, there are certain rules that every smart kid should follow. Like, don't leave any science experiment in the refrigerator for longer than six months. Or: Always tie your shoelaces - but not together. Deborah Zemke's madcap art, plus her witty text, make this sequel to "Don't Feed the Babysitter to Your Boa Constrictor" outrageous fun! Developed to help the new reader develop their skills, "I'm Going to Read[trademark]" offers children entertaining stories and spectacular artwork, plus an innovative method for reinforcing vocabulary: an easy to read word bank that highlights new words. The books are a strong complement to whatever reading programme your child is using at school - whether it is phonics, literature based or a combination of the two.
