Mr. Potato Head is turning stand-up comedy star, and he's sure to have kids howling with laughter. That's because Hasbro's popular toy has hundreds of spud-friendly jokes to tell, along with some other super riddles, and they're all great. What do you get if you divide the circumference of a sweet potato by its diameter? Sweet potato pi. Why are potatoes good detectives? Because they keep their eyes peeled. There are even some fun verses from the Potato Family's Poetry Album that children will just eat up!
