Kids will love it: here are more than 100 of the best word searches ever created! Each puzzle will entice young solvers with a clever title, and all the searches feature distinctive designs that fit the theme. For example "Hang in There" is shaped like a trapeze artist and includes things that might hang like an ornament or your head. The

words (approximately 25 per search) go vertically, horizontally, and diagonally; in an unusual touch, every word in a grid crosses at least one other, and all the words in a grid interconnect. And, as a bonus, every puzzle contains a hidden messagean answer to a punny riddle, a punch line to a silly jokemade up of the uncircled letters!
