Put on a happy face! You just gotta love the spuds! Children who put silly faces on MR. PoTATo HEAD generally end up with happy faces of their own. Versatility has always been at the heart of this potato family's style, and that's why kids find this popular toy so irresistible. Now, young artists can experience that same creative pleasure on the page—while building their drawing skills, too. As always, Pencil, Paper, Draw! makes the artistic process simple and reassuring: children just trace the easy-to-follow colored guidelines to create great pictures. They'll start with a basic potato shape, and then have hours of fun choosing their favorite facial features, clothing, and accessories. When they're done, their MR. PoTATo HEAD will truly be one of a kind! MR. PoTATo HEAD is a trademark of Hasbro and is used with permission. © 2007 Hasbro.
