What's more fun than a barrel of monkeys? How about a barrel of monkeys telling wildly hilarious jungle jokes inspired by the well-loved game? Choose from side-splitting categories like:

Drive You Ape , Tarzan Ticklers , Monkey See , Monkey Do , and Why Did the Monkey Cross the Road?

Did you hear about the monkey who swallowed a lamp and went to a vet to have it removed?

No, what happened? The monkey was de-lighted .

Why don't monkeys play cards in the jungle? Too many cheatas . What do you call a hurricane named

for an ape? Typhoon Baboon . What is white, cold and hairy, and breaks ice cream cones? Vanilla Gorilla !

one thing's for sure: kids will really go bananas for these!
