Picture yourself astonishing your friends as you dazzle them with classic card tricks, mystifying coin routines, mind-reading magic, a levitation of yourself, escapes, tricks with your iPod, and more. "Picture Yourself as a Magician: Step-by-Step Instruction for the Street, Stage, Parties, Card Table, and More" is the perfect introductory book to

entertaining yet simple magic tricks and techniques that will leave your audience marveled and amused. Written using clear step-by-step instructions along with full-color photographs to demonstrate each new skill and trick taught, the book will help beginners establish a foundation in basic magic. "Picture Yourself as a Magician" features the same high-impact magic tricks performed by professionals but adapted for novices. Tips from the pros will help you hone your craft and develop your magic act. The accompanying DVD with live demonstrations and lessons on many of the tricks and techniques taught in the book will help you along the way. Get ready to wow your friends and family as you share the gift of magic with them.
