In this powerful, epic biography, David McCullough unfolds the adventurous life journey of John Adams, the brilliant, fiercely independent, often irascible, always honest Yankee patriot who spared nothing in his zeal for the American Revolution; who rose to become the second president of the United States and saved the country from blundering into an unnecessary war; who was learned beyond all but a few and regarded by some as "out of his senses"; and whose marriage to the wise and valiant Abigail Adams is one of the most moving love stories in American history. This is history on a grand scale -- a book about politics and war and social issues, but also about human nature, love, religious faith, virtue, ambition, friendship, and betrayal, and the far-reaching consequences of noble ideas. Above all, John Adams is an enthralling, often surprising story of one of the most important and fascinating Americans who ever lived.

不拉票，不依附于政党，为国家利益而不是政党利益、个人利益服务的总统，只有两任。它迅速的退化了，所以说，梦想终究是梦想，现实总归是现实。另外，记着要融入那个圈子，这一点非常重要！
