Women today face unique challenges and incredible opportunities in the workplace.

The playing field is not always even, sometimes the rules are unspoken, and the path is not always well marked. In *Designed for Success*, Dondi Scumaci helps women take charge of their careers and achieve the success and satisfaction they deserve. Tapping into more than a decade of experience talking to, listening to, and helping women navigate their careers, she teaches them step-by-step how to experience the unique success they were designed for.
