Would you like to get him, win him back, or make him play by your rules? How's a girl supposed to know if the guy who makes her heart beat fast today isn't going to break it tomorrow? Time to be shopping for a ring . . . or for a new man? Psychic arts and love astrologer Jenni Kosarin gives it to you straight: The truth is in the stars! Forget the Moon, Mars, Jupiter, and all those complicated, confusing "houses." Jenni says Venus is where all his love secrets live. Her revolutionary astrological advice is surprisingly simple, disarmingly specific . . . and virtually foolproof! All you need to know is your lover man's (or wannabe's) birth date, and you can easily determine whether he's a mama's boy or a monster, Freddie Prinze, Jr. . . . or Freddy Krueger. And Jenni demonstrates how her system works with fun, dishy, in-depth and no-holds-barred examinations of today's hottest male celebrities: from Johnny Depp and Brad Pitt to David Beckham and Justin Timberlake. So don't leave your romantic future to chance! Get the scoop! Crack the code! Follow Jenni and the stars to the right guy—or decide if the one you've already got now has got the goods .
