Did you know that when you have a grandma or a grandpa, there are guidelines for how best to take care of them? There are all sorts of special things you need to do to make them feel loved. Now here at last is a manual packed with advice, pointers, and helpful hints. For instance, you need to dance for them, sing to them, draw pictures for them, and even hold their hand when they cross the street. It's also very important that sometimes you take a nap with them (so that they're not the only ones). But most importantly, you need to give them lots of hugs and kisses--because that's what grandmas and grandpas like best.
