Think cats and dogs are for the birds? It's time for something more exotic . . . Whether

you're already an exotic pet owner or you're thinking about becoming one, here is your one-stop guide to owning such unusual household pets as lizards, snakes, frogs, newts, spiders, and insects. Increasingly popular, these creatures offer low-maintenance, low-allergy, space-saving alternatives to traditional pets. This practical and accessible handbook covers more than fifty of the most popular amphibians, reptiles, and invertebrates available from captive-bred stock and offers care requirements, handling advice, breeding information, photographs, and more for each species. It also includes expert advice on: Choosing the most suitable species Setting up a tank or vivarium Feeding and proper diet Health hazards and warning signs And much more!
