Josiah was a rat. He was a bad rat.....or so he was told. In fact, Josiah and his friends are aspiring artists, and for a rat, painting outside the box like that just won't do. Follow along as Josiah and several other inspired rats teach their professor the value of creativity. The companion Book-on-CD will transport you and your child into Josiah's world with sound effects and wonderful performances by children and adults. The dramatic storytelling is narrated by the author and features his young nephew, Eli Drachman, among other delightful voices! (Audible page turns help your children follow along as they learn to read.)
