The skies are always clearer after a storm, but what about when you don't want the storm to end? Minami and Ogiwara made love, and Minami felt herself pulled into love's undertow. Letting the waves carry her, she discovered she wasn't the only one swept away by Ogiwara's charms. Her manipulative and perfect co-worker Tanaka is also dating Ogiwara. Can Minami stay afloat at work and in love? From Mari Okazaki, the edgy, provocative author of *Sweat & Honey*, comes a tale of discovery.
