Be careful what you wish for or you might just get it...and discover you like it! When Akira Uehara, overlooked because he doesn't open his mouth, and Nanako Momoi, looked over until she opens her mouth, switch bodies they find their new selves surprisingly comfortable. Unfortunately they're not the only ones. Akira and Nanako's pre-swap best friends are now drawn to them post-op. And they want to spend the night! These two will have to do more than just tango in this volume of Your & My Secret!
