Why break the bank for a designer bag when you can easily make your own unique fashion statement? In "Simply Sublime Bags", you'll find 30 do-it-yourself, clever and

affordable handbag projects - all of which require little to no sewing and most of which only take an afternoon to complete. With inventive methods of construction (like duct-taped reinforced interiors and iron fusing), these hip handbags, totes and clutches have all the looks that bag-lovers want - the shine of patent leather, Chanel-style chain straps, or even funky logos - and each can be personalized to your own taste. The materials are easy to find in hardware, home, office supply and fabric stores - sometimes even in your own closet! Day to evening, totes to clutches and everything in between, "Simply Sublime Bags" has something for every occasion. The results? Simply sublime!
