Long ago, so the legends say, the Necromancer Volnor invaded the continent of Pelacia. His legions of undead soldiers ravaged the land unchecked, until the three nations united and pushed their evil foes back into the Desert of Malator. But that was centuries ago, and few people still believe the tale. Other, more worldly matters occupy their time, such as recent attacks by renegade Kobolds. But Elac, an elf who makes his way as a merchant, is too concerned with his business affairs to become involved in international politics--until a marauding band of Kobolds attack Elac's caravan and he finds himself running for his life. Befriended by an elfin warrior named Rilen, he travels to Unity, the seat of power on the Pelacian continent. There he is joined by a diverse group of companions, and he sets out on an epic quest to solve the riddle of his heritage and save the land from the growing evil that threatens to engulf it.
