Diana's wedding preparations are interrupted when her fiancée Ben receives an urgent plea for help from a reclusive childhood friend in the final volume of this mystery series. Working on a secretive archaeological dig on Graham Somener's island off the coast of Maine, a team of men have all been poisoned. When one is murdered in a diving accident and Graham refuses to call the police, Diana and Ben fear he may have fallen under the spell of a confidence woman posing as an archaeologist from the Peabody Museum. Their investigations threaten Ben's friendship and imperil Diana's life before the conundrum is finally solved.
