Silver jewelry is a classic accessory that never goes out of style. Crafters and jewelry makers will learn to create dazzling silver designs with "Jewelry Studio: Silver Wire Fusing", an all-in-one guide to a no-muss, no-fuss version of silversmithing. Since less equipment is required - fine silver is heated with a torch to fuse it without solder - it is a very cost-effective way to learn basic metalsmithing skills, making it more accessible and affordable for the average crafter. Even the most basic beginner and the most experienced jewelry maker will find silver fusing to be fun, easy to master, and extremely inspiring and addictive. Make stunning projects right on your kitchen

table!Projects include rings, earrings, bracelets, necklaces, and pins, but don't stop there. Once you've learned to use your fuse, you'll soon have a jewelry box filled with gorgeous handmade silver creations!
