Clear, readable, and updated, a one-stop field guide to the rules of baseball. If you want to play the game the way it was meant to be played, Baseball Field Guide is for you. With its straightforward language and layout, Baseball Field Guide organizes and explains the sometimes vague, misleading, confusing, inconsistent, and obscure rules governing America's favorite pastime. The book is comprehensive, covering all the rules from the most basic to the most complex. An easy-to-use reference guide, it is designed for quick and intuitive searches, with several tools to help you navigate your way, including: \* plenty of color illustrations

- \* a logical sequence of topics
- \* an informative table of contents
- \* a comprehensive index
- \* extensively cross-referenced information
