In 1970, after years of unforgettable work on The Fantastic Four, The Hulk and other super-heroes, legendary comic book writer/artist Jack Kirby came to DC Comics to introduce a new set of characters: The New Gods. These heroes waged epic cosmic battle and inspired numerous other comics creators, and the best of those stories are collected in TALES OF THE NEW GODS. Darkseid, Orion, Mister Miracle and many other members of the New Gods cast star in these tales by the leading lights of today's comics scene, including Frank Miller (Sin City, THE DARK KNIGHT RETURNS), Dave Gibbons (WATCHMEN), Jim Lee (BATMAN, SUPERMAN), Jeph Loeb (BATMAN), Eddie Campbell (From Hell) and many others, who bring their own unique visions to these iconic heroes.
