Rachel Fister gets a blister on her little left-hand toe, and a barrage of helpers—brothers and sisters, rabbis and priests, police officers and firefighters,

doctors and nurses, and even the postman—is called in to help poor Rachel. Some sage advice from Queen Alice ultimately saves the day, and Rachel’s blister gets some down-home healing! This Read-Along Book and CD Favorite includes a paperback edition of the book and a compact disc in a newly designed reusable package. The CD includes one reading with page-turn signals as well as an uninterrupted reading.
