This is a sturdy vinyl-bound pocket French dictionary, now updated and improved! Vinyl-clad for a long life and small enough to be easily portable, this revised and expanded pocket dictionary is a consistent favorite among travelers and students. This edition is extensively updated to reflect today's French vocabulary and usage. Ideal for travelers, it includes five new sections that help users with making phone calls, expressing date and time, introducing themselves, expressing their opinion, making suggestions, and extending invitations. It also now offers free audio downloads providing pronunciations of 25 key verbs in all conjugations.
