Enter the tiny, secret world of the Disney Fairies. This illustrated guide is jam-packed with fairy facts and includes loads of interactive elements, like secret notes, miniature

books, and a removable fairy talent medallion. Find out how garden fairies make the flowers bloom; learn how to say "hello" in Frog with the animal-talent fairies; find out the magical meaning behind colors from the art fairies...and more! Full of astonishing and charming details about fairy life, The Hidden World of Fairies offers fairies fans an intimate glimpse into their favorite magical world.
