An engaging, accessible guide to personal empowerment.

The phenomenal success of *The Secret* points to the great hunger for answers, hope, and change. But what if books like that seem a little too out there for you? Enter Deanna Davis, whose down-to-earth approach stems from her own change of heart (it happened at the Olive Garden). In this fun, quirky, and decidedly straightforward guide, Deanna shares the science, strategy, and stories of how to create your ideal life using a universal key to success called the Law of Attraction, whether you seek health, wealth, happiness, success, or anything else, large or small.

The book blends cutting-edge research, practical techniques, and a conversational, light, funny tone to make the information both meaningful and memorable. Like a talk by your favorite college professor, it provides brilliant concepts in a down-to-earth manner an uncommon blend of wisdom, creativity, inspiration, and practical strategies that work.
