When it comes to money, the editors of Kiplinger's Personal Finance believe you should be able to keep more of it, make it grow, enjoy it, protect it, and pass it on. In the most comprehensive handbook on the market, Kiplinger's Practical Guide to Your Money shows you how. Essentially 10 books in one, this guide is a resource for every one of life's financial milestones. This thorough personal finance bible shows you how to: Take charge of your money, from savings to credit Buy a home and manage its value Select the right insurance for a home, car, or your health Control the costs of your car Provide for children, from raising money-smart kids to child support to financing college Invest for today and tomorrow Plan for retirement--and your estate
