Pulled straight from the canvasses of Dante Gabriel Rossetti, Elizabeth Hickey's *The Wayward Muse* paints a vivid portrait of the mysterious and beautiful Jane Burden, the Pre-Raphaelite icon. A stableman's daughter raised in the slums of Oxford, seventeen-year-old Jane is convinced of her own homeliness. But her fortunes forever change when she is discovered by the charismatic and irreverent painter, Rossetti. Jane is swept into the artist's world as model and muse and falls madly in love with him. When Rossetti abruptly leaves her, Jane reluctantly agrees to marry his protege, a shy craftsman named William Morris. But her passion for Rossetti never dies, and years later all three become entangled in a love triangle from which they will never escape. Atmospheric and haunting, Elizabeth Hickey's latest historic novel gracefully explores the delicate and capricious nature of both love and art.

评论

细节的描述太棒了。每个人的内心活动跃然纸上，仿佛看到了每个人的真实模样。人物的性格特征各不相同，无法用好坏，善恶去评判这部小说。母亲的势利是现实是母爱是未来的预见；灰姑娘般的童话是美好更是打破常规的叛逆
