When Bullet Catcher Wade Cordell is offered a cushy assignment to track down a woman on vacation in the Caribbean and persuade her to meet her birth mother, the secret ops sharpshooter decides it's the perfect antidote to his stressful job. Except spirited and sassy Vanessa Porter "isn't" on vacation, she's on a hunt for a friend who has disappeared. Wade's news doesn't faze a woman who swims with the sharks on Wall Street -- Vanessa knows she's adopted and has no intention of meeting or helping the woman who gave her up in a black market scheme. But as it becomes clear that her missing friend is deep in hiding and deeper in trouble, Vanessa strikes a shaky bargain with the sexy bodyguard who's an expert at finding people who don't want to be found. How high a price will she have to pay the Bullet Catcher willing to put his life on the line for her? Will she sacrifice her pride . . . her heart . . . even her life?
