Dear Jamshed, American is not so different from what we thought. I told you I wouldn't see a single cowboy riding across the plain, and I haven't. I have not even seen a plain. Still there are some silver linings. They are: 1. Trapper and King, the cat and dog who live in the apartment building. They are cuddly and waggy. I am not allowed to play with them, though, because they are supposed to catch mice and keep burglars away. 2. Ironman. He owns a pig and talks to me a lot. But he is a grown-up. 3. Kids. I can hear them playing outside. Too bad they do not want to play with me. I wish you were here. Do you wish I was in India? Write back soon. Your friend,

Lowji
