"Poems of arresting intelligence, precision, and beauty. In wonderfully crafted language, with the startling subtlety of certain of Emily Dickinson's poems, Lisa Williams takes us into eerily imagined worlds the interior of a jellyfish, and the interior of a glacier; she beguiles us with the most seductive of poetic possibilities....This slender volume constitutes a journey of sorts, a pilgrimage 'out' that returns the questing poet, imagined as a companion 'you,' to her own life." Joyce Carol Oates, prize citation
