Take a trip into the deep, deep woods with this all-ages graphic novel. Billy Hazelnuts is back for the first time since his acclaimed 2006 Eisner Award-winning debut. Life has settled back to normal in the old house. Becky and her mom are getting used to having Billy around, despite his strong odor. He performs various household chores, utilizing his amazing strength. Nothing could be better, aside from a jumpy relationship with the cat. Until one day Billy hears screeching in the back yard and runs out to find a very large owl attacking his housemate. "I hate that cat, but it's OUR CAT " yells Billy, and chases the owl off. Billy soon discovers that the owl he has just scared off has left an egg in his nest. When the egg hatches, it's up to Billy to reunite the baby owl with his mother, and the two head off into the deep, deep woods in search of her. The resulting adventure is a crazy potion of all-ages fun, humor, thrills and chills like only Tony Millionaire is capable of. "Billy Hazelnuts" is the latest addition to the pantheon of Tony Millionaire, creator of the popular "Maakies" comic strip (including several bestselling book collections from Fantagraphics) and the "Sock Monkey" series of books and comics. In the summer of 2007, the Cartoon Network's Adult Swim premiered the pilot of "The Drinky Crow Show" (based on "Maakies") along with several other pilots and asked fans to vote on their favorites. "Drinky Crow" was the overwhelming favorite. Look for new episodes in 2008.
